

10 GPM Automatic Fuel Nozzle Aluminum 1 Inch Diesel Nozzle UL CSA Approval

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Virette

Product Specification

- Temperature Rating: 0-150 Degrees Fahrenheit
- Flow Rate: 10 Gallons Per Minute
- Cylinder: Multi-cylinder
- Nozzle Diameter: 1 Inch
- Model: 11A
- Certifications: UL, CSA, CE
- Quality: Guranteed
- Material: Aluminum
- Highlight: **automatic fuel nozzle aluminum, aluminum 1 inch diesel nozzle, 1 inch diesel nozzle ul**

Product Description

10 GPM Aluminum Fuel Nozzle with 1 Diameter

Product Description:

The Model 11A Fuel Nozzle is made from durable and lightweight aluminum, which makes it easy to handle and maneuver. It is designed to withstand the harsh conditions of a fueling station and provide reliable service for many years. This Oil Delivery Spout is also equipped with a 10-foot hose, which gives you the flexibility to reach different fuel tanks without having to move the fuel dispenser.

The Temperature Rating of this Fuel Dispenser Nozzle is 0-150 Degrees Fahrenheit, which means that it can be used in a wide range of environments and conditions. Whether you are fueling a vehicle in the heat of summer or in the cold of winter, this Oil Delivery Spout will perform flawlessly.

The Model 11A Fuel Nozzle is designed to be user-friendly and easy to operate. It has a simple trigger mechanism that allows you to control the flow of fuel and stop it when you reach the desired level. This Oil Delivery Spout also has a secure locking mechanism that ensures that it stays in place while you are fueling.

In conclusion, if you are looking for a high-quality Fuel Dispenser Nozzle that will provide reliable and safe service for many years, then the Model 11A Fuel Nozzle is the perfect choice for you. It is a durable and lightweight Oil Delivery Spout that is designed to meet the highest industry standards. With its UL, CSA, and CE certification, you can be sure that it has been thoroughly tested and meets all the necessary safety requirements. So, make the smart choice and invest in the Model 11A Fuel Nozzle today!

Features:

Product Name: Fuel Nozzle

Pressure Rating: 50 Psi

Cylinder: Multi-cylinder

Component: Fuel Injection Device

Warranty: 1 Year Limited Warranty

Size: 5.5 Inches

This Fuel Nozzle is the perfect petroleum flow nozzle for your oil delivery spout needs. With a pressure rating of 50 Psi and multi-cylinder design, this fuel injection device comes with a 1 year limited warranty. Measuring at 5.5 inches in size, the Fuel Nozzle is a reliable and efficient option for any petroleum flow nozzle requirements.

Technical Parameters:

Model	11A
Size	5.5 Inches
Hose Length	10 Feet
Material	Aluminum
Warranty	1 Year Limited Warranty
Stamp Number	D11a150s187
Certifications	UL, CSA, CE
Temperature Rating	0-150 Degrees Fahrenheit
Component	Fuel Injection Device
Cylinder	Multi-cylinder

This Fuel Dispenser Nozzle, also known as Diesel Fuel Gun or Gas Pump Spout, is perfect for fueling vehicles with multi-cylinder engines.

Applications:

The Virette Fuel Dispenser Nozzle has been certified by UL, CSA, and CE, ensuring that it meets the highest safety standards. This makes it a suitable choice for use in a variety of scenarios where safety and reliability are paramount.

The Virette Fuel Dispenser Nozzle has a pressure rating of 50 psi, making it suitable for use in high-pressure environments. This makes it a perfect choice for use in petroleum flow nozzle applications, where high-pressure delivery is required.

The Virette Fuel Dispenser Nozzle is a versatile product that can be used in many different scenarios. It is suitable for use in gas stations, oil delivery spout applications, and other petroleum flow nozzle scenarios. Its high-quality construction and guaranteed durability make it an ideal choice for any business or individual looking for a reliable and long-lasting fuel dispenser nozzle.

Customization:

Customize your Fuel Dispenser Nozzle with Virette's Product Customization Services.

Made in China, the Virette 11A Fuel Dispenser Nozzle boasts a flow rate of 10 Gallons Per Minute and a 1 Inch Nozzle Diameter. It is also UL, CSA, and CE certified, ensuring top-notch quality and safety.

With Virette's Product Customization Services, you can add your own personal touch to the Gas Pump Spout. Plus, it comes with a 1 Year Limited Warranty, giving you peace of mind while using your Gasoline Hose Nozzle.

Packing and Shipping:

Product Packaging for Fuel Nozzle:

Quantity: 1 Fuel Nozzle

Dimensions: 10 x 5 x 3 inches

Weight: 2 pounds

Material: Stainless steel

Color: Silver

Packaging Type: Cardboard box

Shipping Details for Fuel Nozzle:

Shipping Method: Standard Shipping

Delivery Time: 3-7 business days

Shipping Cost: \$7.99

Shipping Restrictions: Cannot deliver to PO boxes
